Promoting and protecting the health of the public and the environment

For Public Notices

As part of our continued effort to analyze and improve our customer service, DHEC-OCRM has launched a new on-line customer satisfaction survey.

Please visit our website to participate:

<http://www.scdhec.gov/environment/ocrm/permit/>

The survey will just take a minute of your time, but is a valuable tool in the evaluation of our performance. The survey also affords you the opportunity to comment about specific aspects of your experience.

The staff at DHEC-OCRM is committed to meeting and exceeding our customers' needs with quality professional service.

Thank you for your assistance.
